Justification of criteria (attach additional information if necessary) \_\_\_\_\_

I hereby apply for a sewer use permit and I acknowledge that the information above is complete and accurate; that I understand this application is not a permit and that no clear water discharge into the municipal sanitary sewer system is allowable without a permit.

I understand and hereby agree that the use for which the permit is issued shall be performed according to: (1) Conditions of the permit; (2) the approved plans and specifications; (3) the applicable City ordinances and codes; and (4) the State building/plumbing codes and regulations.

I understand that the permit will become null and void if the property under which the permit is registered is found not to be in conformance with any of the conditions of the permit.

I understand that this permit is null and void on the next March 15 after date of issue. Another permit must be applied for and received by the following November 15.

*TO BE COMPLETED BY THE CITY*

A permit is hereby issued for winter discharge of clear water into the sanitary sewer for the above application. Any conditions/changes are indicated on the application. This connection can be made no earlier than November 15 and must be removed by March 15. Failure to remove the sump pump discharge will result in a sewer bill surcharge of \$75 per month after March 15, and may result in prosecution as a Class B misdemeanor. The City will make an inspection after March 15 for compliance with Ordinance and Special Conditions of the Permit.

Special Conditions of the Permit: \_\_\_\_\_

This permit is issued in accordance with Wahpeton City Code Section 44-143(h).
